

Network module type MB GATEWAY

Network module to connect air handling units to the computer network (Ethernet)

Application

- Air handling units from Salda

Mounting

- DIN rail

Technical data		
Voltage	[AC/DC]	12V - 25V (2W)
Communication line		Ethernet RJ45
		ModBus RS485
Cable length	[m]	UTP cable: 0.5 m
		RS485 cable with RJ10 plugs: 2 m
Protection class		IP20
Ambient temperature	[°C]	-20 - 70
Ambient humidity	[%]	30-85 (without condensation)
