

A technical drawing of a shaft. The shaft is represented by two parallel vertical lines. A horizontal line passes through the center of the shaft, with a dash-dot line extending to the right. On the left side, there are two horizontal lines extending from the shaft's centerline, with arrows pointing up and down. The text $\text{Ø}d_1$ is placed between these two arrows. At the bottom, there are two horizontal lines extending from the shaft's ends, with arrows pointing left and right. The text l_p is placed between these two arrows.

$\text{Ø}d_1$
